These end user license agreements can be located at: <http://www.gnu.org/licenses/>. Nothing in this License Agreement limits your rights under, or grants you rights that supersede, the terms of any applicable Open Source Programs' end user license agreement.

3.3 At Trader's' request, but not more frequently than annually, Licensee shall furnish Trader's with a document signed by Licensee's authorized representative verifying Licensee's usage of the Software. Licensee will permit Trader's to review Licensee's deployment and use of the Software for compliance with the terms of this Agreement. Any reviews shall be scheduled at least 15 days in advance, shall be conducted during normal business hours at Licensee's facilities, and shall not unreasonably interfere with Licensee's business activities. If Licensee's use of the Software is found to be greater than contracted for, Licensee will be invoiced for the additional licenses or license upgrades (based on the applicable units of measure, e.g., servers, server tiers or users) and the unpaid license fees shall be payable in accordance with this Agreement. Additionally, if the unpaid fees exceed 5% of the license fees paid for the subject Software, then Licensee shall also pay Trader's' reasonable costs of conducting the audit.

3.4 Licensee acknowledges that the Software may include a self-audit and phone home capability that will periodically connect to the Internet and transmit back to Trader's information related to usage of the Software for purposes of license validation, auditing, and verifying compliance with licensing terms. The information collected by Trader's may include your license key, the application(s) being audited with the Software, and the number of users/objects being audited with the Software (the "Phone Home Data"). To the extent any personal information is collected in this process, we will only use such personal information in accordance with our Privacy Policy, available at <http://www.quick-software-line.com/en/traders-privacy-policy>.

4. RESTRICTED RIGHTS The Software is provided with Restricted Rights. Upon receipt of full payment, Trader's will promptly release the Use Code to Licensee.

6. MAINTENANCE "Maintenance" means (i) the Fixes and Releases that Trader's generally may make available and (ii) the telephone and on-line assistance that Trader's will provide to the Licensee in the event of difficulties in the use of the Products or in the interpretation of results from use (the "Support"). Trader's will provide Maintenance to Licensee at the terms specified in the Order. Upon expiration of the Maintenance period, Licensee may elect to continue receiving such Maintenance for additional one year periods by paying Trader's the Maintenance fee in advance. Renewal Maintenance Fees shall be based upon the previous year's annualized fee, subject to an increase. Such increases are capped at 10% annually for the Products and Designated Equipment specified in the Order. Additional Maintenance Fees for additional Products, system model upgrades and/or additional CPUs may apply and shall be pro-rated for the remaining term of the current Maintenance Term. This Paragraph will not be interpreted to require Trader's to (i) develop and release Fixes or Releases or (ii) customize the Fixes or Releases to satisfy Licensee's particular requirements. The Fixes and Releases will not include any Versions or other new products that Trader's decides, in its sole discretion, to make generally available as a separately-priced option. Trader's may withhold Maintenance if Licensee materially fails to comply with the terms and conditions of this Agreement or is delinquent in payment of the Maintenance fee.

7. LIMITED WARRANTIES a) Warranty. Trader's warrants and conditions that (i) the Products will conform to Trader's published specifications in effect on the date of delivery and (ii) the Products will perform substantially as described in the accompanying Documentation for each new Product for ninety days (90) which commences upon the release of the Use Code. Trader's does not warrant or condition that (i) the Products will satisfy or may be customized to satisfy all of Licensee's requirements or (ii) the use of the Products will be uninterrupted or error-free.

b) Remedies. Licensee will promptly inform Trader's in sufficient detail of any alleged breach of warranty or condition or other duty related to the quality of the Products. If the alleged breach has occurred, Trader's will correct or replace any defective Product or, if not practicable, Trader's will accept the return of the defective Product and refund to Licensee (i) the amount actually paid to Trader's for the defective Product, and (ii) a pro rata share of any Maintenance fee that the Licensee actually paid to Trader's for the period that such Product was not usable. Licensee acknowledges that, to the extent allowed by applicable law, this Paragraph sets forth Licensee's exclusive remedy, and Trader's exclusive liability, for any breach of warranty, condition or other duty related to the quality of the Products.

c) Limitation. To the extent allowed by applicable law, the warranties,

conditions and remedies specified in this Section will not apply if the Product malfunctions due to extrinsic causes, such as (i) natural disasters, including fire, smoke, water, earthquakes, or lightning, (ii) electrical power fluctuations or failures, (iii) the neglect or misuse of the Product or other failure to comply with the instructions set forth in the Documentation, (iv) a correction or modification of the Product not provided by Trader's, (v) the failure to promptly install a Fix or Release, (vi) a malfunction of the Licensee's hardware or communication equipment, or (vii) the combination of the Product with other non-Trader's software.

d) Disclaimer. **EXCEPT AS EXPRESSLY PROVIDED IN THIS AGREEMENT OR TO THE EXTENT PROHIBITED BY APPLICABLE MANDATORY LAW, ALL WARRANTIES, CONDITIONS, REPRESENTATIONS, INDEMNITIES AND GUARANTEES WITH RESPECT TO THE PRODUCTS, WHETHER EXPRESS OR IMPLIED, ARISING BY LAW, CUSTOM, PRIOR ORAL OR WRITTEN STATEMENTS BY TRADER'S, ITS LICENSORS OR REPRESENTATIVES, OR OTHERWISE (INCLUDING, BUT NOT LIMITED TO ANY WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT) ARE HEREBY OVERRIDDEN, EXCLUDED, AND DISCLAIMED.**

8. INDEMNITY

8.1 Trader's agrees, at its own expense, to indemnify, defend and hold Licensee harmless from and against any and all damages and costs or, at Trader's option settle, any claim, suit, or proceeding that the then current Products or Documentation used within the scope of this Agreement directly infringes any United States patent or copyright provided that Trader's is notified in writing immediately after Licensee receives notice of such claim of infringement and provided with sole control of both the defense of any action on such claim and all negotiations for its settlement and compromise.

8.2 In the event that the then current Product is held by a court of competent jurisdiction to constitute an infringement or its use is enjoined, or in the opinion of Trader's, the Product is likely to become the subject of such claim, Trader's may at its option (a) procure for Licensee the right to continue using such Product; or (b) replace such Product with other equivalent, non-infringing software or Product or modify the Product to make it non-infringing; or (c) terminate this Agreement and provide a credit for such Product in the amount of the License Fees actually paid prorated on a three (3) year, straight-line depreciation basis.

Trader's shall have no obligation with respect to any claim based on Licensee's modification of the Product or software or their combination, operation or use with apparatus, data or programs not furnished by Trader's or in other than the specified operating environment.

This Section 8 states Trader's entire obligation to Licensee regarding infringement and indemnification.

9. LIMITATION OF LIABILITY. EXCEPT AS EXPRESSLY REQUIRED BY LAW WITHOUT THE POSSIBILITY OF CONTRACTUAL WAIVER, UNDER NO CIRCUMSTANCES SHALL TRADER'S, ITS SUPPLIERS OR LICENSORS, BE LIABLE TO LICENSEE OR ANY THIRD PARTY FOR ANY CONSEQUENTIAL, INCIDENTAL, SPECIAL, INDIRECT, OR EXEMPLARY DAMAGES ARISING OUT OF OR RELATED TO THIS AGREEMENT, THE PROGRAM PRODUCTS, THE DOCUMENTATION, OR OTHERWISE, INCLUDING WITHOUT LIMITATION, DAMAGES FOR LOSS OF PROFITS, BUSINESS INTERRUPTION, LOSS OF DATA, COSTS OR PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES OR FOR ANY CLAIM OR DEMAND AGAINST LICENSEE BY ANY OTHER PARTY, OR OTHER PECUNIARY LOSS, EVEN IF LICENSOR HAS BEEN ADVISED OF OR KNOWS THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT WILL TRADER'S' AGGREGATE LIABILITY FOR ANY AND ALL CLAIMS RELATING TO THIS AGREEMENT, THE PROGRAM PRODUCTS OR THE DOCUMENTATION WHETHER IN CONTRACT, TORT, OR ANY OTHER THEORY OF LIABILITY, EXCEED THE FEES PAID BY THE LICENSEE UNDER THIS AGREEMENT DURING THE 12-MONTH PERIOD PRECEDING THE EVENT GIVING RISE TO SUCH LIABILITY, EXCEPT FOR TRADER'S' LIABILITY UNDER SECTION 8 HEREINABOVE. LICENSEE ACKNOWLEDGES THAT THE AMOUNTS PAYABLE HEREUNDER ARE BASED IN PART ON THESE LIMITATIONS, AND FURTHER AGREES THAT THESE LIMITATIONS SHALL APPLY NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY.

10. OWNERSHIP All trademarks, service marks, patents, copyrights, trade secrets, and other proprietary rights in or related to the Products are and will remain the exclusive property of Trader's or its licensors, whether or not specifically recognized or perfected under applicable law. Licensee will not take any action that jeopardizes Trader's or its licensors' proprietary rights or acquire any right in the Products, except the limited use rights specified in Section 3. Trader's or its licensors will own all rights in any copy, translation, modification, adaptation or derivation of the Products, including any improvement or development thereof. At Trader's request, Licensee will obtain the execution of any instrument that may be appropriate to assign these rights to Trader's or its designee or perfect these rights in Trader's or its designee's name.

11. CONFIDENTIALITY Each party acknowledges that it may have access to certain confidential information of the other party ("Information"). Licensee expressly acknowledges that the Products incorporate confidential and proprietary information of Trader's and qualify as Trader's Information. Each party will take all reasonable precautions necessary to safeguard the confidentiality of the Information of the other party, including (i) those taken by such party to protect its own confidential information, but in no circumstances less than reasonable care and (ii) those the other party may reasonably request from time to time. If an unauthorized use or disclosure of one party's Information occurs, the disclosing party will immediately notify the other party and take, at its expense, all reasonable steps which may be available to recover the Information and to prevent its subsequent unauthorized use or dissemination. Neither party will allow the removal or defacement of any confidentiality or proprietary notice placed on the Products or any other Information. The placement of copyright notices on these items will not constitute publication or otherwise impair their confidential nature.

12. ENABLING MODULES Trader's may at its sole discretion provide to Licensee along with the Products, certain third party enabling modules or files ("Enabling Modules"). The Enabling Modules may not be (i) used for any purpose other than to enable the Products, (ii) copied (except for backup purposes and to the extent allowed by applicable law), (iii) further distributed, or (iv) reverse compiled, or otherwise translated, except as specifically permitted by law without the possibility of contractual waiver.

13. TERMINATION This Agreement will automatically terminate upon the expiration of the Use Code. Licensee may terminate this Agreement, without right to refund, by notifying Trader's of such termination. Trader's may terminate this Agreement, upon reasonable notice and without judicial or administrative resolution, if Licensee or any of Licensee's employees or

consultants breach any material term or condition hereof, after a 30-day period to cure. This Agreement will terminate automatically if Licensee becomes insolvent or enters into bankruptcy, suspension of payments, moratorium, reorganization, or any other proceeding that relates to insolvency or protection of creditors' rights. Upon the termination of this Agreement for any reason, all rights granted to Licensee hereunder will cease, and Licensee will promptly (i) purge the Products from the Designated Equipment and all of Licensee's other computer systems, storage media, and other files, (ii) destroy the Products, all copies thereof and any other Information, and (iii) deliver to Trader's a letter which certifies that Licensee has complied with these termination obligations. The provisions of Sections 7, 8, 9, 10, 11, 12, 13, 14, 15 and 16 will survive the termination of this Agreement.

14. U.S. EXPORT RESTRICTIONS None of the Software or underlying information or technology may be downloaded, exported, or re-exported into any country to which the United States ("U.S.") has embargoed goods, or to anyone on the U.S. Treasury Department's list of Specially Designated Nationals or the U.S. Commerce Department's Table of Deny Orders. By downloading or using the Software, Licensee agrees to the foregoing and represents and warrants that it is not a national or resident of, or located in or under the control of, any country subject to such export controls.

15. ARBITRATION To the extent permitted under applicable law, any dispute, controversy or claim arising out of or relating to this Agreement will be resolved by binding arbitration. The arbitration proceedings will be conducted by a single arbitrator, administered by the American Arbitration Association in accordance with its International Arbitration Rules and will be held in Orange County, California. The proceedings will be conducted in the English language. Judgment upon the award rendered by the arbitrator may be entered in any court of competent jurisdiction. Nothing in this Section 15 will prevent Trader's from seeking relief against Licensee in the local courts of Licensee's country to protect Trader's Information or intellectual property.

16. MISCELLANEOUS This Agreement represents the complete agreement between the parties concerning the Software and this license, and supersedes any and all prior agreements or representations. This Agreement may only be amended by a writing executed by both parties. If any provision of this Agreement is held to be unenforceable for any reason, such provision shall be reformed only to the extent necessary to make it enforceable. This Agreement shall be governed by and construed under California law as if this Agreement had been entered into in between California residents and fully performed within California.
